

Preferred Vendor Opportunities and Benefits

A partnership of advocates for improved education through quality charter schools

The Preferred Vendors Program is your doorway to the growing charter school market.

- 410 public charter schools in Florida serve over 137,000 students, the equivalent of a medium-sized school district
- Florida is the second largest charter school state in the nation in terms of student enrollment
- The movement continues to grow on an annual basis

The Florida Consortium of Public Charter Schools (FCPCS) is the primary statewide membership association for public charter schools throughout the state. As a FCPCS Preferred Vendor, your company becomes part of an exclusive marketplace with access to charter schools, administrators and teachers.

FCPCS believes that by supporting, inspiring and uniting charter schools, improved public education in Florida will become a reality. ***FCPCS is the only independent channel providing information and resources to Florida's charter schools on a continuous basis.***

Preferred Vendors Enjoy These Benefits:

- Name, logo and name placement on the FCPCS Website in the "My Education Marketplace," a virtual shopping mall for FCPCS members and in its Online Directory
- Web page space for a description of company products, services and contact information
- Opportunities to send company materials in regular mailings and "My Education Marketplace" e-news with Preferred Vendor Info only, that reaches charter school decision-makers, stakeholders and supporters
- Opportunities for company representatives to meet with charter school leaders at events and activities sponsored by FCPCS
- Discounts from other Preferred Vendors
